April

May

May 31

- End of ERAS Season
- MyERAS closes at 5:00 p.m. to prepare for the next ERAS season.

Program Application Deadlines

ERAS does not set program application deadlines; applicants need to contact programs directly for deadlines. The ERAS PostOffice, however, closes on May 31st (unless otherwise indicated) every year to prepare for the next ERAS application season. At that time all of our servers are purged of all applications and supporting documents. ERAS does not maintain records from year to year.
