Subject: If you registered for Child Health M4 rotations...

If you are registered for M4 rotations in Child Health please see below. You should contact the division one week prior to the start of the rotation. The contact person (all are listed on this email) will tell you when/where to report the first day.

Thanks,
Ruth

Adolescent Medicine - Paula Partridge [573-882-6161](tel:573-882-6161)

Development – Robin Wilcox [573-884-7730](tel:573-884-7730)

Diabetes – Angie Melloway, Stephanie Gerlach, Shianna Coleman [573-882-6000](tel:573-882-6000)

Gastroenterology – contact nurse Marlice Pound text pager 441-4681

Genetics – Sarah Towne, Frances Moran, Sharice Hickem [573-882-6992](tel:573-882-6992)

Hem/Onc – Monica Curry [573-882-3961](tel:573-882-3961) (There are several articles I need to send you about this rotation. Please contact me if I haven't sent them to you 2-4 weeks prior to the start of your rotation.)

ID – Paula Partridge [573-882-6161](tel:573-882-6161)

Inpatient – Each day arrive by 6 am in the swamp (labeled conference room) on 5th floor at WCH. **The Sunday prior to the start of your rotation** you should go in at or before 5 p.m. to speak about your assigned patients. Check-out (where you can hear about all of the patients) is at 6 a.m. and 5 p.m. on that Sunday.

Neonatology – Each day arrive by 6 am. **The Sunday prior to the start of your rotation** you should contact the NICU resident – you will likely be asked to come in to learn about your assigned patients. NICU number 499-6180.

Neph/Rheum – Paula Partridge [573-882-6161](tel:573-882-6161) (There are 2 articles I need to send you to read. Please contact me if I haven't sent them to you 2-4 weeks prior to the start of your rotation.)

Outpatient – report to Green Meadows 3217 S. Providence Road Bldg C by 8 AM. If questions contact Shawn Willingham. [573-884-1744](tel:573-884-1744)

PICU – On Sunday morning page the Child Health resident on PICU call. Call the hospital operator at 875-9000 and have them page the Child Health resident on PICU call. Or call the PICU at 219-4271 and ask for Child Health resident on PICU call.

Pulmonary – contact nurse Angie Painter text pager 499-7628

ABS Premature Infant – If you are interested in this you will need to let me know. This is only offered if at least 3 students register for it and is only offered in one block. [You will be required give an oral and/or written presentation \(determined by neonatologists\).](#)
