

Clinical Skills Exam Special Hotel Rates

To assist students with travel costs for the Clinical Skills Exam, the AAMC has negotiated a special rate for examinees at hotels within close proximity of each of the exam sites. Please note that some of the hotels have listed blackout dates during which the negotiated rates are not applicable.

Most of the hotels provide transportation for examinees to and from the airports/hotels and to and from the hotels to exam sites (*transportation reservations may be required in advance*).

Please visit the [web site](#) for more information:

https://www.aamc.org/meetings/153904/clinicalskills_mtgs_homepage_teaser.html

The rates are applicable through December 31, 2012.

Please feel free to forward this information to your students. These rates are for all medical students.
