Subject: Match Week 2013 Schedule

Match Week 2013 is just a few days away!

I have attached the schedule for Match Week 2013. A few additional notes:

- On Friday, March 8, all applicants will receive an email from the NRMP regarding SOAP eligibility. The email is NOT a notice that you are unmatched. The intent is that you are notified whether you are eligible to participate in SOAP if you were to learn on Monday (March 11th) that you were unmatched.
- On Monday, March 11, all applicants will receive an email giving matched or unmatched status. NRMP states the emails may arrive at varying times, simply because of the amount of emails that are going out; because of this, they often encourage students to go to the website and check their status. Applicant matched and unmatched information is posted to the Web site at 12:00 noon eastern time (11:00 a.m. CST). [www.nrmp.org](http://www.nrmp.org)<<http://www.nrmp.org>>
- For anyone who receives an unmatched email on Monday, March 11, please contact me in the OME as soon as you are notified. I can arrange time for you to discuss options with Dr. Brown and we can provide you assistance with the SOAP process when it begins.

Please let me know if you have any questions.

Good luck, everyone!
