**Subject:** MSPE Update

Good morning!

To update everyone on the MSPE status, the Committee is currently in the process of reviewing letters. We meet twice a week and discuss and approve as many letters as time allows. The letters come back to me for a quick glance for typos and format, and then I forward them to you for your review. You do not need to reject your letter for typos, spelling, and grammar. When reviewing your letter and seeing these types of errors, email me to let me know what they are and I will make the corrections for you. If you have questions on content, I can present it to the Committee for you.

If you reject your letter, be sure to specify why. Any letters that are rejected will be reviewed towards the end of the process, and only after all MSPEs have had an initial review by the Committee.

The deadline for acceptance for all MSPEs is September 13. (see attached timeline)

I will be adding a statement to the MSPE for all of the newly elected members of AOA, as well as Step 2 scores for anyone who has had recently reported results. I can also add grades that are reported between now and September 20. (see attached timeline)

Let me know if you have any questions.  
Thanks!

*Gina*
