M3,

The VA requires that you take a yearly refresher in order to maintain access to their EMR. Most of you did the initial training last year in April. If you are now, or will be going to the VA during this last block of your M3 year, or if you will be taking any rotations next year that will involve any activity at the VA, please complete this simple process as soon as possible.

Contact Lea Foster for questions. Lea.Foster@va.gov
