

M4 Class Meetings – First meeting December 20 – Encore meeting January 23

We will have two class meetings covering the same material in an effort to allow more students to attend. As Rank Order List (ROL) entry opens January 15, we are scheduling the first meeting in December. ROL will close on February 20, so if you cannot attend until January 23, you will still have time in which to complete your rank order list before it closes.
