Subject: Match: ROL is open until February 26!
Importance: High

NRMP Rank order list (ROL) opened on January 15. It looks like many of you have started your ROL – great job!

I've attached the PPT as provided by NRMP to walk you through the process. I've also attached the PPT Dr. Brown presented to the class in January. Additional information on creating your rank order list (ROL) can be found in the **NRMP** User Guide within the **R3** system.

Advice from Dr. Brown:

- ***Prepare a rank order list worksheet with program codes in order of preference before entering them on the "My Rank Order List" screen.***
- ***Be sure to certify your rank order list. (Deadline 8 p.m. Central time, Wednesday, February 26th)***
- ***Complete your list at least a week before the deadline.***
- ***Relax!***

From NRMP:

Final rank order lists must be entered and certified by 9:00 p.m. eastern time on Wednesday, February 26th, the Rank Order List and final registration deadline. We urge you not to wait until the last minute to enter your list. No changes can be made to your rank order list after 9:00 p.m. eastern time on February 26th and only certified lists will be used in the Match. The **NRMP** will not enter a list, add, delete or move programs or in any way modify a rank order list.

The listing of a program by an applicant or of an applicant by a program on a certified rank order list establishes a binding commitment to accept or to offer an appointment if a match results. Failure to do so is a violation of the [Match Participation Agreement](#) signed during registration. Note also that although applicants and program directors may volunteer how they plan to rank each other, it is a violation to ask for that information. If a violation is confirmed, the applicant or program may be subject to penalties, as described in the [NRMP's Violations Policy](#).

If you need assistance, please contact the NRMP Help Desk between 8:30 AM and 5:30 PM eastern time at 202-400-2233, toll-free at 1-866-653-NRMP (6767), or by email at support@nrmp.org.

If you have any questions, let us know!

Thanks!
