Subject: Match: ROL is now open!

Importance: High

Good morning all!

NRMP Rank order list (ROL) is now open.

I've attached the PPT as provided by NRMP to walk you through the process. I've also attached the PPT Dr. Brown presented to the class in December and will present again next week, January 23. You'll want to pay special attention to the notes attached to both presentations. In addition, information on creating your ROL can be found in the NRMP User Guide within the R3 system and the Creating a Rank Order List webcast <http://www.nrmp.org/rol2013.pdf>.

Advice from Dr. Brown:

- **Prepare a rank order list worksheet with program codes in order of preference before entering them on the "My Rank Order List" screen.**
- **Be sure to certify your rank order list. (Deadline 8 p.m. Central time, Wednesday, February 20th)**
- **Complete your list at least a week before the deadline.**
- **Relax!**

From NRMP:

Final rank order lists must be entered and certified by 9:00 p.m. eastern time (8 p.m. Central time) on Wednesday, February 20th, the rank order list and final registration deadline. We urge you not to wait until the last minute to enter your list. **NO CHANGES CAN BE MADE TO YOUR RANK ORDER LIST AFTER 9:00 P.M. EASTERN TIME ON FEBRUARY 20th AND ONLY CERTIFIED LISTS WILL BE USED IN THE MATCH.** The NRMP will not enter a list, add, delete or move programs or in any way modify a rank order list.

The listing of a program by an applicant or of an applicant by a program on a certified rank order lists establishes a binding commitment to accept or to offer an appointment if a match results. Failure to do so is a violation of the Match Participation Agreement signed during registration http://www.nrmp.org/res_match/policies/map_main.html. Note also that although applicants and program directors may volunteer how they plan to rank each other, it is a violation to ask for that information. If a violation is confirmed, the applicant or program may be subject to penalties, as described in the NRMP's Violations Policy.

If you have questions, contact Dr. Brown or me, or come to the meeting on January 23 at 12 noon in S255.

Thanks!
