Subject: FW: MSPE - The next step....

To update the MSPE news:

On Friday, September 14, the MSPE Committee completed their review of all first drafts. As of this afternoon, I completed the last general proofread. All MSPEs have now been sent to you, the student. If you have not had the chance to do so, please review your MSPE as soon as possible. The extended deadline for accepting your MSPE is this Thursday, September 20, at 5 p.m.

For those who have forwarded me edits for grammar/punctuation/spelling, I am working on those and will complete them as soon as possible, and can complete them more rapidly now that first drafts have all been processed. When I have finished the requested corrections that have been approved by MSPE faculty, I will notify you via email that your MSPE is ready for you to view.

Again, once all letters have been accepted, I upload the PDF version into an electronic file from which Suzanne Neff and Naomi Tucker will upload into ERAS prior to the national release date of October 1, 2012. (No matter what date your MSPE is uploaded to ERAS, it will not be released to programs prior to October 1st.) I will begin uploading the PDFs on Thursday morning.

Please let me know if you have any questions.

Thank you!

Gina
