2013 Main Residency MatchSM – Valuable Student Resources

Match Webcasts

Four webcasts highlight important aspects of the **Main Residency Match**, including:

- how to create a rank order list
- couples in the Match
- how the matching algorithm works
- NRMP policy

Step-by-step instructions, interactive graphics, and illustrative examples will help you better understand the matching process. Each webcast is approximately 25 minutes long and can be found on the [Communications](#) page that is accessible from a link in the right hand column on the NRMP home page at www.nrmp.org. Please allow a few minutes for each webcast to load.

2012 Program Director Survey

Results from the 2012 Program Director Survey include feedback from program directors in 22 specialties. Highlights include factors used for granting interviews and ranking applicants, use of USMLE scores, and the percentage of interview slots that were filled prior to release of the MSPE. Visit the [Data and Reports](#) page accessible from the NRMP home page at www.nrmp.org.
