**Subject:** NRMP Early Registration for 2014 Match - Deadline November 30, 2013  
**Importance:** High

Hello all!

Just a reminder:

- The standard registration deadline for 2014 Main Residency Match is Saturday, November 30, 2013; after that date, an additional \$60 late fee will be added to the initial \$50 fee, for a total of \$110 registration cost until the rank order list and final registration deadline in February.
- Integrated residents will register and participate in the NRMP, and when the ROL opens, rank just the one program into which they have integrated.
- Military match – unless required by the military, you do not have to participate in the NRMP. If you are military and your program does not require you to participate in NRMP, please notify Gina so she may withdraw you from their roster.
- Early match – Students who are participating in early match may be withdrawn from the NRMP as long as their program does not require them to register. Some early match programs require a preliminary or transitional year. In these cases, the student will have to register and use the NRMP for the PGY 1 year match.

Let us know if you have any questions.

Thank you,
