

2014 Main Residency Match® Opened September 15th

US Seniors

The **Main Residency Match** opened on September 15th. For information about The Match, including policies, the Match Participation Agreement for Applicants and Participating Programs, deadlines, and FAQs, please visit www.nrmp.org.

New in 2014

The **NRMP** has launched a new and improved website where you will find a comprehensive overview of the **NRMP** and the **Main Residency Match** process, a home page that includes the latest **NRMP** news and upcoming deadlines, and Match resources such as the **Main Residency Match** timeline, tutorials, and information about the Supplemental Offer and Acceptance Program®.

Main Match Smartphone App

The **MATCH™** Program Rating and Interview Scheduling Manager, or **PRISM™**, is a free downloadable smartphone APP from the **NRMP** that allows **Main Residency Match** applicants to track and organize programs during the interview process and develop program ratings that can be used to generate a rank order list in the **NRMP's R3** system. The APP is available now in the Apple Store. An Android version will be released later this year.

R3 System

The **NRMP's** web-based [Registration, Ranking, and Results® \(R3®\) system](#) allows participants to register for The Match, create rank order lists, obtain Match results, and review Match statistics using any computer with Internet access. All information is in real time.

To ensure the highest level of security and confidentiality, only registered users can access the **R3** system, using a unique email, username, and password.

At the conclusion of the **Main Residency Match**, the **NRMP** offers a dynamic List of Unfilled Programs within the **R3** system. Eligible unmatched applicants are able to access the List, which is updated continuously by the directors of unfilled programs to reflect the number of remaining open positions.

R3 Access

To access the **R3** system:

1. Open a web browser and go to the [R3 system](#).
2. Log in to Option 2 by selecting "Register".
3. Follow the on-screen instructions to create a username and password of your choice. The **NRMP** is unable to retrieve your unique login information, and you must reset your password if you forget it.
4. Complete the registration process by entering your profile information and agreeing to the Match Participation Agreement. If you list a personal email account (e.g. Gmail) with the **NRMP**, be sure to remove all filters that may assign incoming **NRMP** email to a SPAM folder.

IMPORTANT: NRMP and ERAS® are separate organizations and you must register for each service.

Match Participation Agreement

During registration, you will be asked to read and electronically sign the **NRMP's** Match Participation Agreement, a legally binding contract that outlines the conditions for participation in an **NRMP** Match. The **NRMP** considers a match between an applicant and a program to be a binding commitment.

Match participants cannot complete the registration process without electronically signing the Match Agreement. You may review the [Match Participation Agreement](#) on our website.

Support and Resources

The **NRMP** website is the primary source of information about the **Main Residency Match** and all Fellowship Matches. Of particular interest are the [Frequently Asked Questions](#). Also available are [Data and Reports](#), the [Main Residency Match timeline](#), and information about [SOAP](#).
