If you have not started your ROL, please do so soon!

- Do not wait until the last minute to enter your rank order list. The servers may be overloaded and very slow.
- Do not make last minute changes to your rank order list. Most such changes are not well thought out and applicants frequently regret the changes.
- No changes can be made to ROLs after 9:00 p.m. EASTERN time February 20, and only certified lists will be used in The Match.
- The NRMP will NOT enter a list, add, delete or move programs or in any way modify a rank order list.

Contact me if you have any questions.

Thank you.
