Subject: M4 Class Meeting follow-up January 2014

I have attached the Match Issues PPT that was presented by Dr. Brown in the class meeting on Wednesday, January 15, 2014. I also have a couple of DVDs of the meeting available in my office, if anyone would like to check them out for viewing.

Contact Dr. Brown or me if you have any questions, or contact me if you would like to meet with either Dr. Brown or Dr. Gay.

Thanks!

Gina
